MANNER FOR DISSEMINATION OF CORPORATE COMMUNICATIONS TO THE SHAREHOLDERS

Currently, the Company delivers corporate communications to its shareholders in print format. However, in an effort to foster larger environmental responsibility, the Company will be shifting our communications method from print to digital. Adhering to the revised dissemination strategy, the Company will terminate the routine delivery of printed corporate communications to the shareholders. This change aligns the Company more closely with sustainable practices, reflecting our commitment to environmental stewardship. We appreciate your understanding and support during this transition.

Corporate Communications refer to any document(s) issued or to be issued by the Company for the information or action of holders of any of its securities, including but not limited to (a) the directors' report, its annual accounts together with a copy of the auditors' report and, where applicable, its summary financial report; (b) the interim report and, where applicable, its summary interim report; (c) a notice of meeting; (d) a listing document; (e) a circular; and (f) a proxy form.

The Company has adopted the following manner for dissemination of Corporate Communications to its shareholders with effect from March 1, 2024:

1. Actionable Corporate Communications¹

The Company will send the Actionable Corporate Communications to its shareholders individually in electronic form by email. If the Company does not possess the email address of a shareholder or the email address provided is not functional², the Company will send the Actionable Corporate Communications in printed form together with a request form for soliciting the shareholder's functional email address to facilitate electronic dissemination of Actionable Corporate Communications in the future.

2. Corporate Communications

Both the English and Chinese versions of all Corporate Communications of the Company will be available electronically on the website of the Company at www.jacobiopharma.com and the HKEXnews website of the Stock Exchange at www.hkexnews.hk in place of printed copies. Shareholders and investors who would like to be notified when the Company publishes its Corporate Communications on the [HKEXnews website](#) can register for the News Alerts service in the Market Data section of the [HKEX Market website](#).

3. Provision of Shareholder's Email Address to the Company

In support of electronic communication by email, the Company recommends its Shareholders to provide the Company with their email address at any time in the future by reasonable notice in writing to the Company's Hong Kong Share Registrar, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong or by email to jacobio.ecom@computershare.com.hk.

It is the responsibility of the shareholders to provide email address that is functional. If the Company does not possess the email address of a Shareholder or the email address provided is not functional, the Company will act according to the above arrangements. The Company will be considered to have complied with the Listing Rules if it sends Actionable Corporate Communications to the email address provided by a Shareholder without receiving any “non-delivery message”.

4. Request for printed copy of Corporate Communications and Actionable Corporate Communications

The Company will send a printed copy of the Corporate Communications and Actionable Corporate Communications to the shareholders free of charge upon their request. A shareholder who wishes to receive Corporate Communications and Actionable Corporate Communications in printed form may complete and submit the relevant notice (e.g a prescribed form which will be dispatched to shareholders in due course) to the Company’s Hong Kong share registrar, Computershare Hong Kong Investor Services Limited, by post to 17M Floor, Hopewell Centre, 183 Queen’s Road East, Wan Chai, Hong Kong or send an email to jacobio.ecom@computershare.com.hk specifying his/her name, address and request to receive the Corporate Communications and Actionable Corporate Communications in printed form.
